An International Learning Experience

Join students from around the world for
a life-changing experience!

EMIS is an international boarding school for high-school students from Israel, the Middle East and around the world. It is located in Hakfar Hayarok in central Israel.

The programs are taught in English in intimate classrooms. The subjects include languages, mathematics, humanities, sciences, dance and arts. In addition to the curriculum, students take an active role in developing projects designed to cultivate personal leadership skills and broaden their knowledge of the region. Volunteering activities and community work further deepen their social commitment, and students also engage in a wide range of activities from diplomacy to sports and art.
